Please enter the Agent Details, including full name and title. Please also enter the house/flat number and/or name (if applicable) and street name in the Street address field. The town, county, country and full postcode should also be entered.

If the application is being submitted by an agent (i.e. someone who is acting on the applicant's behalf) all correspondence, including the decision letter, will be sent to him/her.

### **3. Site Address Details**

Please enter the same address of the site as stated on the decision notice, together with the full postcode or grid reference.

### **4. Pre-application Advice**

The local authority may be able to offer (possibly for a fee) pre-application discussions before a formal application is submitted in order to guide applicants through the process. This can minimise delays later in processing the application.

Pre-application discussions can also help you and the planning authority identify areas of concern about your proposed development so that you can give consideration to amending your proposal before the application is submitted. The advice and guidance given to you at the pre-application stage is given in good faith. However, it does not guarantee or supply a definitive undertaking as to whether your proposal is likely to be acceptable.

If you have received pre-application advice from the planning service please indicate the reference/date of any correspondence or discussion and the name of the officer. If you do not know these details then please state '*Unknown*'.

This will assist the Council in dealing with your application as quickly as possible.

### **5. Description of your Proposal**

Please describe the development or works as shown on the original decision letter and clearly indicate the permission reference number and condition that you wish to discharge, remove or vary. It is essential that the number and description of the condition(s) to which this application relates are specified, so that no confusion arises.

### **6. Discharge of Condition**

You should clearly indicate the materials/details that are being submitted for approval. In some circumstances (e.g. when seeking approval of a large number of materials) the submission of individual samples (or collectively shown on a materials sample board) may be appropriate.

## **7. Part Discharge of Condition(s)**

If the details being submitted only discharge part of a condition(s) then this should be clearly set out together with a description of that part of the condition to which the application relates.

## **8. Planning Application Requirements & Local Level Requirements**

There are two levels of requirements, national and local:

- **National** - Use the checklist to ensure that the forms have been correctly completed and that all relevant information is submitted.
- **Local** - The local planning authority will have produced a document (usually available from their website) which details any specific information that is required to accompany the application in addition to the national requirements.

Failure to complete the form correctly or to supply sufficiently detailed drawings or other relevant supporting information may result in your application being returned as invalid.

## **9. Declaration**

Please sign and date your application.

## **10. Applicant Contact Details**

Please provide contact information for the applicant.

## **11. Agent Contact Details**

Please provide contact information for the agent.

## **12. Site Visit**

Access to the site (i.e. where the works are proposed to take place) may be required by the case officer. Please provide contact details in the event that an appointment needs to be made. This will assist the Council in dealing with your application as quickly as possible.
